Thanks to John Ross and Gene Hankins for delivering the new mower to the field and securing it in the mower shed.

Thanks to Bob Conner for temporarily storing the mower at his home.

Thanks to Bob Connor for his generous contribution of \$70.00 cash and a 10% off Lowes card to enable over \$300 savings to the club treasury on the purchase of the mower.

Heli fun fly June 27 landing fee \$15.00.

Gene Hankins and to check with Chris K and Tony C about prize donations for Heli FF.

Mary Ann had insisted in a majority vote by all club members for any expenditure. Due to the fact that most members do not come to the meetings and it would be impossible to move ahead: We had a motion by Gene Hankins to over rule. A second was made and Mary Ann is over ruled. Majority rules at meetings. If a member has interest in the operation of the club they must attend meetings for a voice.

Reschedule next weeks Fun fly to later date due to soggy field. Date TBD.

All Giant scale paperwork submitted and all is in order for event.

We are going to talk with Mr. . Macky but will have to plead ignorance as to who had the accident. Perhaps it was not a club member??

Gene Hankins proposed a swap meet in the future and is looking for a reasonable cost venue. The armory is well located and cost is \$200.00 plus \$10.00 per hour for security.
